- 805 Bing O gauge Shortie coaches 1 x LNER 1st /3rd passenger coach, 1 x L&NER all brake and 1 x LNER All Brake (3) L&NER All Brake has two missing handles to the luggage doors, wear and scratches to all roofs, sides are overall G-VG, (3)
£80-120
- 806 Doll 0-4-0 Live Steam Locomotive and Tender, LMS, No 999, Twin fixed cylinders with single action and slip eccentric reversing, spring type safety valve, whistle to cab, cylinder lubricators and central buffer mounted lubricator, water level plug and vaporising style burner, some paint lose to the boiler through use, part of the burner looks to a replacement, Rusting to the tender, especially to the back and offside, overall G-VG
£150-200
- 807 Bing O Gauge, 0-4-0 NYC&HR in grey 'New York Central Lines', No 3238, simulated overhead electric, 3 rail electric, missing bulb, minor marks at join of roof, missing one coupling, overall VG,
£80-120
- 808 Bing O Gauge 0-4-0 Locomotive and Tender, Black lined red, No 0-35, 2 x continental coaches, 1 x Parcel coach, O Gauge 3 rail track 4 x straight track and 6 x curves, (14) 3 Rail Electric, Bing trademark to front of loco, very minor wear through use, VG, coaches sides are VG-E, Track has been used, G, (14)
£100-120
- 809 Bing O Gauge Snow Plow, Bogie open wagon, 2 x bogie log wagons, (4) Some paint lose to the offside of the snow plow and to buffer beam, mechanism works at time of cataloguing, overall VG, minor scratches to the other rolling stock through use, some surface rust to the log wagon marked 3501, overall G-VG
£80-100
- 810 Bing for Bassett Lowke 1924 series GWR coaches, 1 x all 1st and all 3rd Brake (2) Roofs have been repainted, some minor scratches to the sides, One buffer broken to both coaches, otherwise G-VG, (2)
£80-100
- 811 Bing or similar 4-4-4- Paris Orleans PO -E1 steeple Cab loco, 3 Rail Electric, looks to have been repainted, bulb missing to front, overall G-VG
£150-250
- 812 Bing O Gauge LMS coaches 4 x all 1st/3rd passenger coaches and 1 x All Brake coach, (5), 2 roofs have been repainted, one 1st/3rd coach has a missing buffer, overall the sides are VG, (5)
£100-120

Glorious Trains - Featuring the John Ingram 0 Gauge Model Railway Collection - Part

- 813 Bing O Gauge Rolling Stock comprising, 2 x Shell Motor Spirit, 1 x Benzin Motor Oil, 1 x BP Motor Spirit, 1 x BP OLEX, 2 x NE cattle waggons, 1 x LMS cattle van, 2 x NE Meat Vans, 1 x MR open wagon, 1 x Lime wagon, 4 x flatbed wagons, and one other cattle van (17), 4 of the cattle vans have repainted roofs, 1 x Shell spirit has shrinkage to the varnish and visible dents to the body, Lime wagon has worn decoration to the top, 1 x NE Meat Van has varnish shrinkage, overall G-VG, (17)
£80-120
- 814 Bing O Gauge rolling stock comprising, LMS Fish Van, 1 X NE Fish Van, 2 x LMS Brake Van, 1 x Refrigerator Van, 1 x GE Lime and Cement, 1 x Bogie Milk Van, 1 x 7419 Milk traffic Van and 1 x covered Van, (9), The roofs have been repainted on the majority off the covered vans, some minor fading to the LMS brake van and 7419 Milk traffic van, otherwise sides are G-VG, (9)
£80-100
- 815 Bing O Gauge Rolling Stock comprising 1 x bogie tanker No 62610 with brake house, 1 x open wagon No 62611 with Brake house and 4 x 1025 tankers, (6), Bogie wagon has some rust to the tanker, both valve and filler plug are free and open, some surface scratches to the open wagon, general wear to the other tankers, one has visible varnish shrinkage, overall G-VG,
£80-120
- 816 Bing O Gauge LNER coaches comprising, 3 x All 1st No 1235N and 1 x All 3rd Brake (4), Roofs have been repainted, one All 1st has a hole drilled into the end of the coach, some fading to the sides but otherwise G-VG,
£80-120
- 817 Bing O Gauge Live steam part restored / spares Locomotive and tender, together with a similar boiler and additional spare parts, (4), A part restored / spare parts Bing 4-4-2 live stem Locomotive missing front and rear wheels, no coupling rod, whistle and reverse control to cab, lubricator in smokebox and spring type safety valve, Bogie tender with some paint lose, dent to offside rear corner and broken coupling, together with a similar boiler with part of the engine, a bag of parts including wheel set with eccentrics, cylinder and part of a burner, plus a hollow Locomotive boiler and frame with two soldered cylinders, (4)
£150-200
- 818 Bing O Gauge 4 wheel coaches comprising, 4 x LNER 1st/3rd coaches, 1 x LNER Full Brake, 1 x LMS Full Brake, 2 x LMS 1st/3rd Coaches, 1 x GWR Full Brake, and 2 x additional 1st/3rd coaches, (11), 1 x LNER coach is missing a buffer and one door handle, one coach is missing a coupling, roofs are F-G, coach sides are G, (11)
£80-100
- 819 Believed Bing O Gauge 0-4-0 Locomotive and tender, No 504, 3 Rail Electric, some areas of retouching, shrinkage to the varnish, visible solder repair to the pickup, some rust to the tender and paint lose, loco and tender do not match, F-G
£50-80
- 820 Bing O Gauge 0-4-0 metropolitan simulated overhead electric Locomotive with 3 x New York Central Lines coaches comprising No 253 passenger coach, No 529 Passenger / guard coach and No 501 United states Mail coach, (4), 3 Rail Electric , some retouching to the frames, crazing to the roof, loco sides are VG, coach sides are G-VG, (4)
£80-120
- 821 Bing O Gauge Coal Wagons comprising, 3 x Midland Railway, 4 x LMS, 1 x NE, 1 x LNER, and 2 x LNWR, one in original box (11), one LMS Coal Wagon has been over varnished plus wear to the tarpaulin, others show some fading, overall sides are G-VG, original box is F-G,
£80-100
- 822 Bing O Gauge rolling stock comprising 5 x SHELL tankers in red, 1 x SHELL tanker in yellow and 2 x freight vans, (8), one freight Van has a missing door handle, SHELL tankers have minor scratches, one has some shrinkage to the varnish, overall G-VG
£50-80
- 823 Bing O Gauge coaches comprising 2 x GWR dining cars No 3295 and 1 x composite passenger / Brake coach No 3296 (3), Brake coach ahs visible crazing / shrinkage to the varnish, Roofs to the dining cars have repainting / touching up, overall sides are G-VG
£80-100

Glorious Trains - Featuring the John Ingram 0 Gauge Model Railway Collection - Part

- 824 Bing O Gauge LNWR coaches comprising 1st/3rd passenger coach and All Brake coach (2), Roof has been repainted on the Brake coach, plus one missing door handle, one broken door handle and part of underframe lose inside coach, 1st/3rd passenger coach has paint lose to the roof and minor scratches to the sides, otherwise G
£80-100
- 825 Bing O Gauge 0-4-0 Locomotive and Tender, LNER No 8851 with 2 x LNER all 1st passenger coaches, No 2534 (3), Clockwork, mechanism works at time of cataloguing, VG, coach roofs have been repainted, one coach has minor scratches / surface rust to the sides, otherwise sides are G, (3)
£80-100
- 826 Bing O Gauge 0-4-0 Locomotive and Tender in Green with red, black and yellow lining, Clockwork, mechanism works at time of cataloguing, nearside buffer is broken, surface scratches through use, scratches to the tender, loco an tender may not be an original match, G-VG,
£80-100
- 827 Bing O Gauge 0-4-0 Locomotive and tender LNER lined green, No 8851, 3 Rail Electric, visible solder repair to underside of frame between the cylinders, two lose wires under frame, some crazing, varnish shrinkage to the paint, solder repair to the pickups, Bulb missing to front, top of safety valve broken overall G,
£80-120
- 828 Bing O Gauge 0-4-0 Locomotive and tender, Great Western Railway lined green, No 3410 together with another 0-4-0 Locomotive and tender LMS, Both Clockwork, mechanism works at time of cataloguing, minor dent to the GWR cab roof on the nearside, LMS example has minor scratches to the paint and split to the offside cylinder, otherwise G-VG,
£50-80
- 829 Carette O Gauge 4-4-0 Locomotive and tender GNR (Great Northern Railway) No 375 and GNR passenger coach 1st/3rd No 1790, (2), Clockwork, mechanism works at time of cataloguing, one wheel splasher is lose on the offside, some scratches to the paint , minor dent to the cab roof, tender has been repainted to the offside, plus body lose from frame, F-G, coach has two missing doors and one missing door handle, F-G
£100-120
- 830 Bing O Gauge rolling stock comprising Rotary Snow Plow, 2 x rail cranes, 1 x low loader, 1 x Bogie flat wagon, 1 x LMS Coal Wagon, 1 x GW Coal wagon, 1 x NE Coal Wagon and 1 x LNWR Coal Wagon, 1 x MR coal wagon, (10), mechanism works on the snow plow, some wear to the LMS and GW coal wagon sides, otherwise G-VG,
£80-120
- 831 Bing O Gauge Bogie Post and Baggage wagon 10/540/0, together with another example marked 'EXPRESS' (2), Paint lose to the brown roof, also some paint lose to the sides, the other example has two missing doors and some paint lose to both sides and roof,
£80-100
- 832 Bing O Gauge 4 wheel coaches comprising 2 x L&NWR Full Brakes, 4 x L&NWR 1st/3rd passenger coaches, 1 x all 1st passenger coach and 2 x 8 wheel bogie coaches all 3rd, (9), All shows signs of wear through use, sides are overall G-VG, bogie coaches are missing the couplings, (9)
£80-100
- 833 Bing O Gauge Pennsylvania Lines passenger coach No 105 and 250, and Baggage van 2395, together with 3 x New York Central passenger coaches, and 2 x Baggage vans, (8), One baggage van has a lose bogie, sides are overall G-VG, one repainted roof, (8)
£80-100
- 834 Bing O Gauge Railroad coaches consisting of 2 x passenger coaches in green, 2 x baggage vans in green, 1 x passenger coach in maroon, 2 smaller 4 wheel coaches, 1 x LNWR Brake coach, 1 x LNWR cattle van and 1 x MR cattle van, (10), rusting to the underside of the cattle vans and brake coach, also paint lose, scratches to the roofs, overall sides are G-VG (10)
£50-80

Glorious Trains - Featuring the John Ingram 0 Gauge Model Railway Collection - Part

- 835 Bing O Gauge European style 4 wheel coaches consisting of 4 x 1st/2nd class green coaches No 5551, 1 x 1st/2nd class red coach and 1 x green post van, (5), Red passenger coach has a damaged end, no couplings, also a repainted roof, minor scratches to the passenger coach sides and to the doors of the post van, non original buffers fitted to the green caches and replacement couplings, otherwise G-VG,
£50-80
- 836 O gauge buffer stops to include two boxed Bing examples , Marklin hydraulic style buffer with brick effect, another possible boxed Marklin buffer and a box of Bing O Gauge track containing 6 straight pieces, (5), All buffer springs work at time of cataloguing,, some wear through use, G-VG, original boxes are F-G, (5)
£40-60
- 837 Possibly KBN BUB O gauge 0-4-0 Locomotive and Tender, Black with gold lining, S 3/6 No 1180, Clockwork, mechanism works at time of cataloguing, one missing buffer to offside of loco, soldered repair to the rear offside wheel, minor scratches to the paint, otherwise G-VG
£40-60
- 838 Bing O Gauge 2 x bogie passenger coaches with baggage doors and 1 x post / baggage van, (3) Hinge to baggage / post van will require attention, minor scratches to the roofs on all three, plus minor scratches to the sides, otherwise VG, (3)
£50-80
- 839 Bing O gauge 0-4-0 Locomotive with 'BING', to cab, together with a N.E Brake Van, Berlin 75923 Brake Van, S.R Covered Van and 2 x N.E Covered Van, (6) Clockwork, mechanism requires attention, does not wind, no tender, Roofs have been repainted on the NE Brake Van, S.R and N.E covered vans, Berlin example has split to nearside corner, also scratches to the sides, visible varnish damage to the other NE covered van, F-G,
£40-60
- 840 Bing O Gauge All Brake LNER, No 264 and a Bing for Bassett Lowke 1921 series GWR All 1st corridor coach, No 132 (2), Both roofs have been repainted, paint is cracked to the roof of the LNER Brake, visible denting and retouching to the ends of the GWR coach, also some marking to the sides, overall F-G, (2)
£50-100
- 841 Believed Carette for Bassett Lowke O gauge rolling stock to include, 2 x LMS Brake Vans and 1 x LNWR 4 plank open wagon (3), One LMS Brake Van has traces of red paint to both sets of buffers and minor red paint to one end, marks to the roofs, some fading and marks to the LNWR wagon, otherwise G-VG, (3)
£40-60
- 842 Marklin Gauge 1 Great Northern Railway coaches comprising 2 x All Brake No 2876 and 1 x passenger coach 1st/3rd No 2875 (3), One Brake coach has a professionally repainted roof, plus missing one door handle, the door fixed closed with glue, the other Brake has discolouration to the roof and minor marks to one side, plus a tiny dent, the 1st/3rd coach has had a new transfer for 'LNER' applied for one side, the other has GNR partially rubbed off with minor damage, some crazing to the roof paint, overall G-VG, one Brake and passenger coach in modern Miliboxes, (3)
£150-200
- 843 Marklin O Gauge Wagon-Lits coaches comprising of Sleeping Ca, No1388, 2nd Class Pullman No 1387 and All blue Dining Car 1389, (3) 3 rail Electric with control switch to underside of each coach presumably for electric lights, Dining car has damage to one end, plus damage to the steps, one minor damaged step to the Pullman car, Surface rust to the sleeping car roof and one missing screw, and to all coach couplings, would all benefit from a clean
£100-150
- 844 Marklin TMN O gauge 0-6-0 tank Locomotive, LMS lined, 3 rail electric, converted from clockwork to 3 rail electric, areas of repainting and retouching, Bing style coupling to the front and Hornby style coupling to the rear, Front offside buffer is bent, F-G.
£60-80
- 845 Believed Ernst Plank, 2-2-0, Locomotive and Tender, finished in green and red with yellow lining, Clockwork, mechanism works at time of cataloguing, one handrail missing to offside, both front buffer beams missing, also possible whistle missing near cab, appears to be version without cylinders, dent to top of the smokebox near the chimney, some paint lose, some paint lose and rust the tender, otherwise G-VG,
£60-80

Glorious Trains - Featuring the John Ingram 0 Gauge Model Railway Collection - Part

- 846 Bing 4-4-0 Locomotive and tender, lined maroon, No 1924, together with a kit / scratch built 4-4-0 Locomotive and tender, LMS finished in black, No 601, (3) Bing 3 Rail electric, wear to the paint and lining, some areas of retouching, some surface rust to the handrails, front buffer beam is bent upwards, F-G, together with a 3 rail electric Kit / Scratch built Locomotive, some areas of paint lose to the frames, tender is missing centre axle, with 'L BROADHURST, 76 GREENSIDE, KENDAL', to the underside, G-VG. (3)
£80-100
- 847 Bing O gauge tender for the 'LB&SCR', with Bing logo to underside and GBN to the rear, Some surface rust visible throughout, one minor chip to the paint on the nearside, F-G,
£50-80
- 848 Believed Bing O Gauge bogie Tender for an express Locomotive, Some minor paint lose to the tender edges, tool box lid and top of the tender, some minor varnish shrinkage, F-G.
£50-80
- 849 Bing O Gauge 0-4-0 Locomotive and Tender, No 0-35, and 'N.Y.C & H.R.' to the tender, together with an O gauge believed Bing Peerless tank line tanker 1000 (3), 3 Rail electric, 4 volts, replacement bulb to the front, some wear to the dome, very minor dent to the nearside of the tender, also some minor rust, G-VG, Visible crazing to the tanker, also some areas of paint lose to the buffer beams, F-G (3)
£50-80
- 850 Bing O gauge 4-4-0 Locomotive and Tender, 'Wild Duck', No 1595, together with the body for another 4-4-0 Locomotive with Tender and a further 6 wheel tender, (5) 3 Rail electric, Bing loco has been repainted with replacement modern motor and semi Finescale wheels, F-G, Locomotive body has marks to the boiler barrel, body and tender repainted F-G, the other tender has been repainted, handrails have been shorted, F-G, (5)
£80-100
- 851 A qty of Bing and other manufactures O gauge Locomotive and rolling stock and a Marklin box lid, (13) A selection of items for spares and repairs to include a Bing LMS tank Locomotive with two missing buffers, LNER Locomotive and tender with lose clockwork movement lose from the body, others are playworn, in need of repair, Box lid is faded with visible tears to the lid edge, plus visible holes, (13)
£50-80
- 852 A qty of Bassett Lowke and similar O Gauge miniature metal advertising signs, to include 'Suttons Seeds', 'OXO', 'Whitebreads Ale and Stout', (39), Signs show signs of use, very minor damage to the 'Model Engineer' sign, minor scratches, otherwise G-VG, all mounted in clip frame, one clip to rear missing, (39)
£80-120
- 853 A qty of Bassett Lowke and similar O gauge miniature metal advertising signs, to include 'Rowntrees Cocoa', 'Bovril', 'Singers Sewing Machines', (30), shows signs of use, some minor marks and scratches, minor damage to the edges of the 'Melroses Teas', and 'Bassett Lowke Ltd' sign, otherwise G-VG, all mounted in clip frame, (30)
£80-120
- 854 A qty of Bassett Lowke and similar O Gauge miniature station signs to include 'Ealing', 'Paddington', 'Exeter', 'Swindon', (108), Minor marks and scratches, some discolouration to the Buxton and Fenchurch Street sign, otherwise G-VG, all mounted in clip frame (108)
£80-120
- 855 A qty of Milbro and similar O Gauge miniature metal advertising signs to include 'Leyland', 'Cooks for Travel', 'Spratts Dog Food', together with a Milbro paper packet, (28), Show signs of use, minor marks to the 'Junior Mechanics' and 'Rowntress Cocoa', old seletape repair to the Milbro Packet, otherwise G-VG, mounted in sealed frame approx 39cm x 39cm, G,
£40-80
- 856 A qty of Bassett Lowke and similar O Gauge miniature Metal advertising signs to include, 'Castrol Motor Oil', 'Colman's Starch', 'News of the World', 'Southend on Sea', 'Heinz Spaghetti', mounted in two frames, one sealed frame and one clip back frame, (35 signs, 2 frames), Shows signs of use, some minor marks and scratches, otherwise G-VG, mounted in one sealed backed frame and one clip frame, G, (35 signs, 2 frames)
£40-80

Glorious Trains - Featuring the John Ingram 0 Gauge Model Railway Collection - Part

- 857 A qty of Bassett Lowke and similar 0 Gauge miniature metal advertising Signs to include, 'Tanges Gas Engines', 'OXO', 'Mellins's Food', with Bassett Lowke paper packet, (25 signs, 1 x paper packet in 2 frames), Shows signs of use, minor damage to the Tanges Gas Engines sign, otherwise G-VG, one mounted in sealed black frame with discolouration to the background and minor split to the frame, and one clip back frame, (25 signs, 1 x paper bag in 2 frames)
£40-80
- 858 A qty of framed Bassett Lowke and similar miniature advertising signs to include, 'Huntley and Palmers' biscuits, 'Liptons Teas', 'Hudsons Soaps', 'Swan Vestas', together with 1 x Bassett Lowke paper packet, all mounted in frame (37), Some minor damage to the Liptons tea and one Bassett Lowke sign, minor damage to the corners of the Lucerne sign, some visible tears to the paper packet, otherwise VG-E, in sealed frame, approx 66 1/2 cm x 49cm
£80-120
- 859 A qty of framed Bassett Lowke and similar miniature advertising enamel signs to include 'Oxo', 'Frys Chocolate', 'Bournville Cocoa', 'Sketchley Dry Cleaners' in sealed frame, (32) minor paint lose to the corners of one OXO sign, otherwise VG-E, in sealed frame 66 1/2 cm x 49 cm, (32)
£80-120
- 860 Bassett Lowke 0 gauge single track Engine Shed, approx 47cm long x 14 1/2 cm wide x 19cm High, windows missing, four signs missing, others show signs of use / age, overall very dirty and would benefit from a clean, otherwise G-VG,
£100-150
- 861 HUGAR British Models 0 gauge wooden buildings to include Goods Depot and two platforms, all three marked HUGAR (3), Goods Depot has minor marks to the back, also some visible tiny holes to the front, the red brick backed platform has two missing signs, the other platform also has visible missing signs, overall all three are dusty and would benefit from a clean /dust, G-VG,
£100-150
- 862 Hugar station platform approx 68cm x 10cm, together with another commercial / scratchbuilt platform 36cm x 6cm, 'More Fun Toys' station platform 53cm x 8cm and a commercial / scratch built Goods Depot (4) The Hugar platform ahs a warped roof and traces of white paint with damage to the paper sign, More Fun Toys platform has a tear to the imitation brickwork, also missing sings to the rear of the fence, Manchester platform has two missing signs, also some minor tears to the paper Manchester name, Goods Depot has two missing signs and a minor white mark to the roof, all are generally dusty and would benefit from a clean, side wall to the KAY Building incomplete, overall G-VG (5)
£80-100
- 863 A 0 gauge Goods Office 'London Midland & Scottish Railway, together with a Hugar wooden platform, another Goods Depot, platform building and a further Kay wooden shed, (5), Signs missing to the LM&SR goods depot, white paint marks to the roof, Some minor damage to the HUGAR platform sign for Edinburgh, 2 missing signs to the Goods depot, Signs missing to the gauge1 platform and minor damage to the roof, (5)F-G
£50-100
- 864 A possible scratch built / commercially built wooden platform measuring approx 73 cm long x 13 cm wide (back fence 81cm long) with Station Master Office and Waiting Room, Hornby electric lights and wrist watch clock, Overall very dusty and would benefit from a good clean, Signs missing to the back of the fence, adjustment for altering the clock / wrist watch does not work, some paint lose through age, F-G
£30-40
- 865 Bing 0 Gauge 0-4-0 GNR lined green No 112, Clockwork, front buffers and coupling replaced, G-VG
£80-100
- 866 Bing 0 Gauge 0-4-0 Midland lined Maroon, Clockwork, some retouching overall, Buffers replaced F-G
£80-100
- 867 Bing 0 Gauge 0-4-0 LNER lined green 3 Rail electric, some general paint loss, minor retouching, G
£100-130
- 868 Milbro (Mills Bros) 0 Gauge 2-6-4, LMS lined black Fowler Tank Loco, 3 Rail Electric, loco repainted though numbers and lettering appear original, some extra detail added to loco, in a card box
£200-300

Glorious Trains - Featuring the John Ingram 0 Gauge Model Railway Collection - Part

- 869 Bing O Gauge 4-4-2 L&NWR Black lined, No 44 Clockwork, Crazing to overall paint, steps to off side of loco missing, retouching and over varnishing, F -G, Box G.
£80-100
- 870 Milbro (Mills Bros) O Gauge SR all 1st Passenger Coach, No 1239 with all 3rd side corridor Brake Coach, No 1239 (2), Both have been retouched, G with G original boxes (2)
£80-120
- 871 Milbro (Mills Bros) O Gauge SR all Brake No 3014, together with SR Restaurant Car in Milbro Style (2) All Brake has visible retouching, Restaurant Car has cracked windows and repainted roof, (2) F - G, both in card boxes
£80-120
- 872 Bassett Lowke O Gauge 4-4-0 Blue lined Canadian Railway, No 142, Clockwork, Extensive paint peeling to the Locomotive, F-G
£80-120
- 873 Bassett Lowke O Gauge 0-6-0 LMS No 4256 together with 4-4-0 LMS Maroon lined Compound No 907, 3 Rail Electric, both repainted with non original motors, F
£100-140
- 874 Bing O Gauge 4-4-0 L&WR black lined No 44, Clockwork, Crazing to paintwork, visible dent to dome, F
£80-100
- 875 Milbro or similar O Gauge 4-6-2 Loco and Tender, LMS Princess Royal class, 'Princess Royal' No 6200, 3 Rail Electric, front bogie replacement, Frames possibly replaced, otherwise G
£300-400
- 876 Milbro (Mills Bros) O Gauge SR passenger Coaches, All 1st, lacks one coupling, together with 1st / 3rd Missing Buffers / one coupling, all fitted with Exley or similar Coaches, F
£80-120
- 877 Bassett Lowke O Gauge 2-6-0 Live steam LNER black lined 'Super Enterprise', No 1864, Very well used example, engine seized, paint worn through use, original box F
£80-100
- 878 Mamod O Gauge Live steam 0-4-0 SL1 steam Locomotive, 4 x boxed Passenger coaches, 1 x open wagon, 2 boxes of curved track and 1 x straight track, (9), SL1 steam Locomotive has a hole drilled in the underside of boiler, no burner with visible use, coaches and track appear E, (9)
£100-120
- 879 Mamod live steam SL2 0-4-0 SL2 steam Locomotive in Blue, Very little use, some marks to the buffers, white marks to the handrails, otherwise VG in VG box with instructions
£100-120
- 880 Lionheart O Gauge, 7P-001-501U, BR MK 1 SR Green, One buffer has been reglued to frame, buffer stuck, otherwise VG-E in original bow with instructions.
£50-80
- 881 PECO or similar O Gauge track comprising 4 x right hand points, 3 x left hand points, 9 x flexible straight track (92cm length) 1 x flexible straight track (64cm) and 1 x flexible straight track (59cm) approx, (18) Points show signs of use, one right hand has missing switch, VG-E (18)
£80-100
- 882 Model railway O Gauge accessories (20), Comprising a Gaugemaster Model 100M Controller, 1 x box LK749 loading gauges, 1 x Powerflow Flux, 1 x Slaters Track Cleaner, 1 x Parkside models PS94 Wagon Tarpaulins, 1 x BS-0-01 Ballast Spreader 3 x Point Control Steel wire, 1 x Garryflex Abrasive blocks, 1 x Mini Squares 1 x O Gauge holding clamp stand base pack, 1 x O gauge holding clamp stand brackets Pack, 1 x Phoenix scale miniatures, 1 x O gauge holding clamp stand hardware pack, 1 x Uncoupler with LED light, 1 x Roxy Headcode discs, 2 x Peco Rail Joiners SL10, 1 X Gaugemaster Track Pins, 1 x Peco Nylon Insulating, 1 x bag of couplings, 1 x lever frame, 1 x bag of figures, 1 x uncoupler, 1 x bag of cast animals, 1 x bag cast beehives, 2 x rolls of wire, 1 x Torri Laser O Gauge Flexi Track Straight shaper, 1 x OO gauge Insulated water crane, (20)
£100-120

Glorious Trains - Featuring the John Ingram 0 Gauge Model Railway Collection - Part

- 883 Bing O Gauge 4-4-0 Locomotive, 'Prince Charles', No 62453, Bassett Lowke Tender, Bing for Bassett Lowke 1921 Midland brake coach and an Exley GWR Brake coach, (4), Clockwork, Winding spindle is missing so unable to test mechanism, Buffer beam has been repainted with some paint lose, F-G, Tender has visible repair to the buffer beam and minor scratch to nearside, F-G, Bing coach has rust to roof, sides are G-VG, Exley coach has some paint lose to the roof, otherwise G-VG in modern millbox, (4)
£100-120
- 884 Kit / Scratch built O gauge rolling stock to include plank wagons, covered vans, SR plank wagon and flat wagons (13), Missing buffer to one flat wagon and E143531 7 plank wagon, majority have been weathered, otherwise G-VG, (13)
£50-80
- 885 Kit / Scratch built O gauge rolling stock to include 3 tank wagons, 6 wheel covered van, tube wagon, part built brake van, 5 plank wagon with tarpaulin, Coal hopper wagon, Coppercraft open wagon, Lima Coal wagon, NER Milk Van and covered wagon, (12), some have been weathered, Lima wagon body is lose from the frame, Brake van is missing the roof, G, (12)
£50-80
- 886 Kit / Scratch built O gauge rolling stock to include 3 x 5 plank wagons, 1 x 7 plank wagon, 4 covered vans, 1 x NE 12 T covered van, 1 x NE Fruit Van, 1 x LMS Ventilated Van, 1 x open wagon and 1 x flat wagon with container load, (13), LMS ventilated van has wear to the transfer plus two broken buffers, 1 x 5 plank wagon has a glued in brick load and two broken buffers, another 5 plank wagon has a glued in wood load, 12 ton covered van has a missing buffer, unfinished 7 plank wagon has three missing cast details to the sides, some have been weathered, G-VG, (13)
£50-80
- 887 A kit / scratch built heavy metal 4-4-2 Locomotive and tender, LNER, No 2822, and a 4-4-0 Locomotive and tender, LNER 'Queen Mary', No 6021 (2), 2 rail electric, 4-4-2 example is battery powered, traces of green paint to the loco and tender, hole drilled on nearside of loco under cab, battery electrics lose in tender, F, and kit / scratch built LNER Queen Mary, Boiler and cab coming away from frames, steps and frames lose under cab, visible glue repair to top of boiler by the firebox, F, (2)
£40-60
- 888 Leeds Model Company 4-4-0, Locomotive and Tender, LMS finished in black, No 567, with smoke Apparatus to inside of cab, 3 Rail electric, some minor paint lose, soldered repair to the underside of the tender coupling spring, damaged LEEDS transfer to underside of the tender, otherwise G-VG,
£150-200
- 889 Kit / scratch built 0-4-0 Ruston Diesel Locomotive 'R.T.R', 2 Rail electric, two buffers are broken off to the front, one buffer is damaged to the offside rear, visible damage to the nearside above the front buffer beam, one window has fallen out the front nearside, also two missing from the offside of cab, frame is loose in body,
£30-50
- 890 Kit / commercially built metal O gauge -04-2 GWR 48xx 'Great Western' No 4837, 3 rail electric, missing offside cab number, minor paint scratches to the loco, tiny dent to the nearside tank, missing steps to underside of cab on nearside, G
£50-80
- 891 kit / scratch built O Gauge built BR South Tyneside parcel Luggage Van, E68000, 2 Rail Electric, power bogie is lose from the frame, lose wire in cab most likely connecting power from the second bogie, 10 windows are missing the clear plastic, signed to underside of frame 'DG Built 90 BRS', replaced coupling to rear, F-G in wooden box,
£100-140
- 892 Kit / commercially built O gauge open mineral wagons, in cardboard box (20) , One wagon has a broken buffer, one buffer requires a new spring, some of the wagons have been weathered, otherwise VG-E (20)
£80-120
- 893 Kit / commercially built O Gauge open mineral wagons, in cardboard box (20), Wagons have been weathered, one has two buffers missing springs, another has damaged couplings, 10 wagons have fixed mineral loads, the other 10 are empty, otherwise VG-E, (20)
£80-120

Glorious Trains - Featuring the John Ingram 0 Gauge Model Railway Collection - Part

- 894 Kit/Scratch built O gauge rolling stock to include, Kingsbury Coal wagon, 'City of Birmingham' mineral wagon, 'Bibbington Mineral wagon', Coopercraft GW flat wagon, NE Banana Van, NE plank wagon, 4 x coal wagons, 1 x Covered fruit van, 1 x Lima Brake van, 1 x cattle wagon and 1 x 12t Covered van (14), Fruit van is missing its wheels and 1 axle box, NE plank wagon is missing one set of wheels and axle box, Majority have broken buffers, 12 T covered van has a broken vacuum cylinder, removable coal load to the Kingsbury wagon, F (14)
£30-40
- 895 Kit / Scratch built / O gauge rolling stock to include, 'Deane Valley 7 plank wagon, GW mineral wagon, 'Baddesley' 7 plank wagon, SR 5 plank wagon, 'L.Beard & Son', 5 plank wagon, 'John Rhodes' 7 plank wagon, LMS open wagon, Midland Railway 5 plank wagon, 2 x NE flat wagons, GW Brake Van, 3 x 5 plank wagons and 1 x mineral wagon (15) one 5 plank wagon has a fixed load of sleepers, Baddesley example has a fixed coal load and the GW has a fixed mineral load, overall G-VG (15)
£50-80
- 896 Kit/scratch built O gauge rolling stock to include, 'Cawoods' coal wagon, LMS 5 plank wagon, LMS mineral wagon, 1 x brake van, 1 x cattle wagon, 1 x mineral hopper, 5 x covered vans, 3 x open wagons (14), The Cawoods coal wagon has a fixed coal load, one LMS open wagon has a fixed mineral load, Scopio models open wagon has a lose floor, one covered van has visible glue marks to the roof, plus damaged brake rigging, some have been weathered, one 7 plank wagon has three broken buffers, G,
£50-80
- 897 A kit / Scratch built 4-6-2 Locomotive and tender class A4 LNER 'Wild Swan', No 21, 2 rail electric, roughly painted, broken valve gear on the offside, lose wire to the top of the tender, there are four switches in the tender but uncertain what they al do, broken cab step to the offside, very dusty, could do with a clean, F-G
£110-150
- 898 A kit / scratch built 0-6-0 tank Locomotive LNER Class J50, finished in black livery, No 8905, 2 Rail Electric, steps to the running plate and cab are broken on both sides (two steps in bag), underside of buffer beams have been filed down to fit couplings, the loco is very dusty and would benefit from a clean, F-G,
£80-100
- 899 A kit / scratch built 0-6-0, Locomotive and tender, LNER Class J39, finished in black, No 4802, 3 Rail Electric, centre brass pickup is lose under the frames, plastic windows glued into inside of the cab, two metal wires glued under frames near the buffer possibly for two rail conversion, coal load glued inside tender, loco and tender are very dusty and would benefit from a clean, F-G,
£80-100
- 900 Kit / Scratch built O gauge rolling stock to include, 13 x covered vans, 2 x mineral hoppers, 1 x open wagon, 1 x 3 plank wagon and 1 x flat wagon (18), in wooden carry case, Have been weathered, one mineral wagon has a glued in mineral load, overall VG-E, (18) In wooden carry case
£80-100
- 901 Kit / scratch built 0-6-0 Locomotive and Tender,LMS, Fowler 4F class in black, No 44522, 2 Rail electric, signed on the underside 'B.C Walls, DEC 76', offside buffer broken off, visible solder and wiring to underside electrical pick-ups from the loco and tender wheels, glue marks to inside of cab floor, looks to have been weathered, fixed coal load to tender, G
£80-100
- 902 Kit / Scratch built O Gauge rolling stock to include, two wooden coal wagons, 7 covered vans, 1 x cattle van, 1 x flat bed wagon, 1 x peaked roof 'Chance & Hunt Ltd' salt van, (12), Roofs are discoloured / marked, one covered van is missing a running board, salt van is missing its roof, some have been weathered, otherwise G-VG, (12)
£80-100
- 903 A kit / Scratch Built O gauge LMS articulated 80000-80002 Diesel Railcar, (2), 2 rail electric, ends to buffers missing, two windows have popped out the frame of the 80000 end car, also one bogie has separated from the underside frame, with handwritten instructions on how to assemble the cars, (2)
£40-80

Glorious Trains - Featuring the John Ingram 0 Gauge Model Railway Collection - Part

- 904 A J.B.C Models O Gauge LMS corridor all 3rd Brake, No 1267, and a similar LMS Corridor all 1st No 5982 (2), All 3rd brake appears to have replacement brass centres to the bogies, some marks to the roof, couplings missing would benefit from a clean, otherwise VG, All 1st No 5982 has visible cracking to the roof paint, also battery box is loose, otherwise G-VG, (2)
£80-120
- 905 Kit / Commercial built, MK1 Suburban O Gauge all 3rd Brake E25074M and all third E11256M (2), Have been repainted and re-transferred from LMS stock, something is loose inside the Brake coach, plus brass plate fitted under rear bogie, visible soldering to both bogies, and one battery box missing, two holes drilled into the end of the other coach, plus minor damage to the bogie, Roofs are dirty / marked, Overall G (2)
£80-100
- 906 Kit / Commercial built MK1 Composite Suburban O Gauge coach 16356M, together with a similar Composite Coach E19176M (2), Clear plastic window panes loose to one side of 16456M, roof is marked / dirty, looks to have been repainted, visible paint to the windows, metal plaque to underside for 'Lawrence Scale, No 14310 for Mr H Bull', E19176M has one missing window, plus damaged / twisted bogie, Mark to roof / dirty, Overall G (2)
£80-100
- 907 CRT professionally built and painted O gauge LNER / BR Corridor Composite Brake, lined maroon, E152E Some minor marks to the roof, very minor marks to the sides, RCT plaque to the underframe, otherwise VG-E,
£80-120
- 908 CRT or similar professionally built and painted LNER /BR Matchboard Full Brake, Maroon, E70678E Very minor marks to the roof, one bogie is loose and requires regluing to frames, sides have come away slightly at the centre, otherwise G-VG,
£80-100
- 909 CRT or similar professionally built and painted LNER/BR Full Brake lined maroon, E106E, Very minor marks to the roof, minor marks to the sides, corridor connections require attention, otherwise VG-E
£80-120
- 910 A qty of kit / commercially built O gauge rolling stock to include, Gunpowder van, 7 plank wagon, 3 x Fish Vans, 1 x Banana Van, 4 x covered vans, 1 x Shocvan and a brake van (12), Most examples have been weathered, some minor marks to the roofs, otherwise VG-E
£80-100
- 911 A qty of kit / commercially built O gauge rolling stock to include, 5 x flat wagons, 1 x Fruit Van, 2 x Shocvans, 1 x Banana van, 2 x covered vans, 3 x Brake Vans, 2 x 5 plank wagons, (16), One shocvan has a broken buffer, one flat wagon has traces of an old load / glue marks, flat wagon with container load is loose, most have been weathered, otherwise G-VG, (16)
£80-100
- 912 A Leeds Model Company or similar 4-4-0 Locomotive and Tender, LNER lined black, No 5433 'Walter Burgh Gane, 3 rail electric, spoons have been replaced, some visible retouching,
£150-200
- 913 A kit / commercial built 4-6-2 Locomotive and Tender, Ex-SR rebuilt Bullied 'West Country' Class, No 34008 'Padstow', 2 rail electric, body and frame have separated, valve gear is broken to both sides, some paint loose to both cylinder covers, also some rust to the wheels, fitted with 12 volt motor, minor scratches to the tender, otherwise F-G,
£80-120

- 991 Scratch built / commercial parts Gauge 1 Lima Hamilton Diesel - Electric LS1000, 2 Rail electric, Professionally built and painted, no makers markings, motors to both bogies, some paint lose to the engine compartment roof, some rusting to the wheel rims, slight damage to the front handrail, otherwise VG-E,
£300-400
- 992 believed Marklin Gauge 1, class 41, 2-8-2 Locomotive and Tender, Deutsche Bundesbahn (DB) No 41018, finished in black and red, shows signs of use, minor rust to the bogie wheel's, minor paint chip to the nearside cylinder cover, minor marks to the top of the boiler, overall the loco and tender are very dusty and could do with a clean,
£500-800

Glorious Trains - Featuring the John Ingram 0 Gauge Model Railway Collection - Part

- 993 A Barrett Engineering Gauge 1 kit of parts to construct a GWR (Great Western Railway) live steam 4-4-0 City of Truro, Live steam, with sealed bags containing parts to construct a gauge 1 model of City of Truro, has not been checked to see if kit is complete, with Barrett Engineering assembly instructions,
£150-200
- 994 Marklin/ Bassett Lowke and Bing Gauge 1 rolling stock comprising Bassett Lowke LMS Guards Van, Bassett Lowke 5 plank wagon with LNW Tarpaulin, Bing LMS 5 plank wagon, Bing GW Cattle Van, Bing 5 plank wagon No 4123 and a Marklin LMS 5 plank wagon, (6), Marklin plank wagon is missing one coupling, Bing GW Cattle Van has areas of retouching and wear to all sides, plus one missing buffer, Bassett Lowke LMS guards van has areas of repaint and 'RW' in pen to the underside, minor rusting to the wheels on all, otherwise G-VG,
£80-120
- 995 Marklin Gauge 1 Modern issue 4-6-2 Locomotive and tender, Maxi locomotive 54563 K.Bay.STS.B Rheingold Coupe Ventre, No 3673, Appears to be unused, E, mounted on display plinth with gauge 1 track, base approx 98cm L x 18cm with acrylic cover 30cm H,
£300-500
- 996 USA Trains Maldenmass USA / believed MTH Models Gauge 1 4-8-8-4 Locomotive and tender Union Pacific 'Big Boy', class 4000, 2 Rail Electric, USA Trains Maldenmass USA on the underside of the locomotive/ possibly a MTH model, finely detailed model finished in black, one tiny brake block is broken off the model, otherwise E,
£4,000-6,000
- 997 Believed Astor Gauge 1 Live steam 4-6-2, locomotive and tender, Southern railway West Country Class, 'Seaton', No 34020, Live steam with three cylinders, axle driven feed pump and hand pump to the tender, methylated spirits tank, pressure gauge and regulator, appears not steamed, engine turns over freely, E
£1,800-2,400
- 998 Carette/Bassett Lowke Gauge 1 Clockwork 0-4-0 green 'Peckett' Tank Loco, No.810, G, clockwork tested ok in forward and reverse although requires cleaning, some retouching, repair to underside chassis, one buffer replaced, one hand rail missing, cab roof detached
£120-160
- 999 Carette Gauge 1 0-4-0 Berlin Underground Railway No 1036 Continental Yellow Clockwork Locomotive, with light corrosion to tinplate bodywork, would benefit from a clean, F-G tested ok at time of cataloguing
£500-600
- 1000 Fred Newman Gauge 1 LNER Pigeon Van No 4140 & N E Horse Box No 78 (2), with stamp beneath LNER Pigeon van reading "Made by Fred Newman September 1999 Refurbished by J L Judson November 2009", horse box with no stamp, G (2)
£140-160
- 1001 Marklin Gauge 1 boxed 1995 and 1998 Museum wagons (2), 1995, 85895 Schachenmayer 4-wheel Van and 4-wheel Lorry, lorry back step broken off (in box) and front wheel loose but not damaged, 1998 brown Flat Truck with L Wachler Trailer, both in original boxes, G-E, boxes G-VG (2)
£70-90
- 1002 Marklin Gauge 1 Wagons and Coach (3), 58077 Model Railway Show Goppingen 2007 Refigerator Car, 5859 Double Tipper Wagon (used, some rust) and 5800 red and cream 4-wheel Coach, all in original boxes F-VG, boxes F-G (3)
£70-90
- 1003 Marklin Gauge 1 Points Track and Signals (6 boxes and loose point), 5976 L/H Point, 5963 electric R/H Point, 5962 electric L/H point, 5932 10 x Curved Track (2 boxes, 20 curves), 5611 Main red/white electric Signal and 5613 red/white Electric Signal, all in original boxes, VG-E, boxes G and unboxed R/H Point, lacks switch F, (6 boxes and loose point)
£80-100
- 1004 A Rossignol 0-6-0 Well Tank Locomotive, 'OUEST' No 400, Clockwork, with embossed detail in hand finished black with gold lining, outside cylinders and cast buffers and cast wheels, all coupling tabs intact G-VG moderate play wear, mechanism not tested, overall length approx 350mm.
£100-140

Glorious Trains - Featuring the John Ingram 0 Gauge Model Railway Collection - Part

- 1005 A Rossignol 0-6-0 Well Tank Locomotive, No 6000 and 1st class coach, (2) Clockwork, Printed decoration in red with yellow detail, with fixed Key, drive pinion damaged and no spring, Professionaly replaced chimney, Front offside Coach wheel lose on axel, complete with coupling, G-Vg (2)
£60-90
- 1006 Belived by OROBR, 2-4-0, No 202 to cab and 999 to front smokebox, Clockwork, printed decoration, one wheel splasher missing, two lamps missing to front, with two and fro mechanism, replacment chimney, G
£60-90
- 1007 A Gunthermann 4-4-0 locomotive, Lithgraphed Midland Railway maroon, No 1287, Clockwork, damage to front buffer beam, bell mechanism broken to underside of frames, printed detail to inside of cab, slight dent dent to offside of cab.
£70-100
- 1008 A Gunthermann 4-4-0 locomotive, Lithgraphed Green lined, , No 1288 Clockwork, damage to front buffer beam, bell mechanism broken to underside of frames, printed detail to inside of cab, slight dent dent to offside of cab.
£100-140
- 1009 Mamod TWK1, Live steam traction engine kit with log trailer, A boxed and unbuilt Mamod Traction Engine and Log Trailer kit with original build instructions and operating instructions, E, in original box VG-E,
£80-120
- 1010 Mamod TE1A Live steam traction Engine, With vaporising style burner, shows signs of use, visible crack to the smokebox and paint lose to the chimney base, G-VG, in original box with plastic filler funnel and steering column, G.
£40-60
- 1011 Wilesco D409 Live Steam Showman's Engine with kit / scratch built trailer, (2) Shows signs of use, firebox discolured through heat / fuel, plastic handle to whistle slightly melted through heat, lime scale to gauge glass, engine turns over freely, some staining to the roof, G-VG, in original box Wilesco box with filler funnel, instructions, home made steering column and catalogue F-G, together with a Kit / scratch built wooden trailer with 'Reg Parker Engineer' to rear (2)
£40-60
- 1012 Mamod Live steam SP5 twin cylinder stationary engine, with boxed mamod Power press, Power Hammer, mamod oil can and Fleischmann Blacksmith accassoieri (5) Twin oscillating cylinders,shows signs of use, suface rust to the firebox chrome, Gauge Glass cover has rusted at the rivet and not held in place at the bottom, discolouration to the base, engine turns over by hand, chimney missing, F-G, mamod power press and hammer appear unsued, VG-E, in VG-E original boxes, Oil Can has minor marks and scratch to the mamod logo, G-VG, Fleischmann assoccorie has damaged mechanism, plus signs of wear, F-G, (5)
£40-60
- 1013 Accrcraft Live steam O Gauge 0-6-0 freelance side tank locomotive, 'Wrekin' Shows signs of use, fitted with pressure gauge, gauge glass, gas fired boiler, regulator and radio control reverse lever, with 'Planet' radio Controller, Engine turns over freely by hand, Overall VG-E with original operating instructions and Boiler test certificate
£400-600
- 1014 Roundhouse Live steam O Gauge 0-6-0, 'Lady Anne', Shows signs of use, Radio Control for regulator and reversing control with 'Planet' radio controller, Engine turns over freely by hand, overall E, with original locomotive instructions and radio control instrctions
£400-600
- 1015 Roundhouse Live Steam O Gauge 0-4-0 saddle tank, 'Katie' Shows signs of use, Radio Control for regulator and reversing control with 'Radiolink' radio controller, Engine turns over freely by hand, overall E, with original locomotive instructions, radio control instrctions and tool kit.
£400-600
- 1016 Accucraft Live Steam O Gauge 0-4-0, Freelance side tank ' Caradoc', Shows signs of use, some paint lose to the offside cylinder, also minor marks / scratchwes to both tanks, Gas fired, manual control regulator and reversing, overall VG-E, with original instrctions.
£300-500

Glorious Trains - Featuring the John Ingram 0 Gauge Model Railway Collection - Part

- 1017 Regner Live steam O / gauge 1, 0-4-0 'Lumber Jack', Visible signs of use, engine and motion well oiled, twin oscillating cylinders, gear drive to wheels, Gas fired with manual regulator and reversing lever to front, minor paint lose to cab footplate, front buffer lose, VG
£200-300
- 1018 Merlin Locomotive works 0-4-0, O gauge / Gauge 1 tank locomotive, 'The Duke', No 7, Has been steamed, visible staining to the motion and frames, Engine turns over freely by hand, some minor paint lose to the cylinder covers, front coupling lose, radio control reversing with hand held OMNI TX-2.0 controller and charger, G-VG,
£300-500
- 1019 Cheddar Models Live steam Gauge 3 (2 1/2 inches) loco with plastic tram body and Garden Railway Specialists cast cowcatcher brass ends and Brass couplings (4), Chedder loco shows signs of use, engine is tight but turns over by hand, boiler fittings are tight, remaining water visible in boiler gauge glass, radio control servo for reversing, Tram body is unpainted, with boiler test certificate and original instructions G-VG,
£150-200
- 1020 A part built 3 1/2 gauge 'Rainhill' Rocket type locomotive by L.B.S.C, Consisting of the running frames with cylinders, motion and boiler axle driven feedpump, motion turns over freely by hand, with a selection of drawings for the construction of the locomotive, photocopies from the 'Model Engineer' and L.B.S.C construction manual, G-VG
£150-200
- 1021 Westside Model Company live steam brass 4-6-2 locomotive and Tender, USRA Heavy Pacific, with plaque to underside of tender for steamcraft, England No 33, Live steam,with slip eccentric reversing, gauge glass, pressure gauge and regulator, gas fired from tank in tender, has been steamed, there is still traces of water in the boiler and pipework from a prevoius run, water gauge reflector appears added, minor break to the handrail on ther nearside of ther loco, plaque for steamcraft England, No 33 to underside of tender, some staining to the nearside of the tender, G-VG, in original box with two syringes, tape repairs to the box lid corners, F-G
£500-800
- 1022 Bassett Lowke O Gauge live steam '4-6-0, 'Super Enterprise', finished in black with red lining, No 4907, together with two Bassett Lowke catalogues dated August 1939, Shows signs of use, some paint lose to the boiler and nearside of running frame , visible dent on nearside of boiler near the smokebox, one smoke deflector is detached, engine turns over freely by hand, Burner slightly destorted through use, safety valve, water level plug and lubricator caps all unscrew, minor paint scratches to both ends of the tender, G-VG, catlogues F-G in wooden box with steam oil and two plastic filler funnels
£150-200
- 1023 commerical / kit built Gauge 3 (2.5 inches) Plank open wagon 'DB' 752 042, Professionally built and painted, one axle bearing is lose in the axle box so the body tilts with the weight, the body has been weathered, imitation coal load fixed inside wagon, G-VG
£150-200
- 1024 Commercial / Kit Built Gauge 3 (2.5 inches) BP Tanker, No 581563, Professionally built and painted, has been weathered, one buffer stuck, G-VG, in metal box,
£150-200
- 1025 Commercial / Kit Built Gauge 3 (2.5 inches) DB 0-4-0 Diesel , 2 rail electric, has been weathered, top hand rail has broken off, handwheel on nearside of cab has broken off, G-VG, in metal box.
£150-200
- 1026 mamod DV1 live steam delivery Van ' Working Steam Models Mamod', finished in green, Shows signs of use, paint lose to the top of the boiler cover at thw safety Valve, solid fuel burner, some heat damage to the top of the roof, engine and wheels turn over freely, G-VG,
£50-100
- 1027 A Bowman O Gauge, 234 live steam 4-4-0 locomtve and tender express engine, The locomotive has been repainted with some minor paint lose, boiler is scorched through use, water level plug is stuck to end of boiler, with original 6 wick spirit burner, soldered joint to tank broken, engine turns over freely, and Bowman 'Great Western 4073' six wheel tender, some marks to the sides, F-G,
£50-100

Glorious Trains - Featuring the John Ingram 0 Gauge Model Railway Collection - Part

- 1028 A Bowman O Gauge 234 live steam locomotive 4-4-0, Has been used, boiler has been polished back to plain brass, Cab sides are still painted with Bowman Models transfer and lining, cab roof has been sanded, water level plug has been removed and hole soldered over with brass plug, the engine turns over freely, with original 6 wick spirit burner, safety valve has been replaced,
£35-50
- 1029 A Bowman live steam stationary steam engine, M122 twin cylinder, in original wooden box Twin oscillating cylinders, engine turns over freely, safety valve and water level plug unscrew from the boiler but the whistle is stuck, paint lose to the firebox and base though use, otherwise looks complete with original burner, G-VG, in original wooden box G,
£50-80
- 1030 A MSS O gauge No 909001, 0-4-0 live steam locomotive finished in black and gold lining, with MSS to the side tanks, Appears to have been built from a kit, looks to be unsteamed with solid fuel burner, VG-E, in original MSS box, VG with original assesmly instructions, diagrams and Mamod operating instructions.
£50-80
- 1031 Mamod TE1A Live steam traction Engine with origial box, Engine turns over freely, lever type whistle with reversing lever, safety valve and water level plug all unscrew but shows signs of use with limescale to the threads and visible rust to the back of the firebox, vapourising methylated spirits burner, discolouration to the roof through use, F-G, in original play worn box, F and steering column,
£30-40
- 1032 Hornby 3 1/2 inch gauge live steam 'Stephensons Rocket' with tender Incomplete Stephensons rocket missing the chimney, chimney base, and exhaust pipes, nearside connecting rod is lose from the piston rod, engine seems tight at thwe top dead centre, marks to both the loco and tender (2)
£30-50
- 1033 Hornby 3 1/2 inch gauge static 'Stephensons Rocket' locomotive and tender kit (non-working model), A kit of parts to construct a static version of Hornby's 3 1/2 Gauge Stephensons Rocket, the outer boiler casing and tender have been assmebled, with bags containing the remaining parts and five sections of track for display, Produced as a non-working static model, VG, in original box with instructions G. (Non working model)
£30-50
- 1034 Hornby 3 1/2 inch guage live steam 'Stephensons Rocket' with tender, Has been steamed, engine turns over but stiff, the base of the chinmey is lose from the boiler casing and the exhaust pipes are both lose from the cylinders, safety valve is tight on the boiler, surface rust to the tender axles, marks to loco and tender through use, paint lose to the top of the chinmey F-G,
£50-100
- 1035 Hornby 3 1/2 inch gauge passenger coaches for the Stephensons Rocket, 'Liverpool and Manchester Railway, (2) One coach has two broken couplings, surface rust to the axles, one door handle is broken but the door can still be locked, one buffer broken,missing steps to the outside of the coach, the other coach has one missing buffer, one broken coupling, missing steps to the outside of the coach, surface rust to the axles and one seat to the outside of the coach is detached, (2)
£50-80
- 1036 Hornby 3 1/2 inch guage passenger coach for the stephensons rocket, 'Liverpool and Manchester Railway', in box, One door is detached from the coach together with one imitation spring for the axle, otherwise G in original box, G
£50-80
- 1037 Hornby 3 1/2 inch guage track, consisting of two boxes of G102 25' of track and one box of G103 containing two points, (3), Very minor marks to the track but they appear unused, VG-E, Boxes are worn at the edges, some rips to the points box, G,
£50-100
- 1038 A Bing (GBN) vertical live steam engine, standing approx 32 cm high, Very dusty and would benefit from a good clean, traces of original blue finish to the boiler, missing the safety valve weight, regulator handle, engine turns over freely, two holes drilled into the chimney, one boiler fitting to top of boiler stuck, non-original methylated spirits burner, wear to the piant through use, with GBN logo on boiler, F-G
£30-50

Glorious Trains - Featuring the John Ingram 0 Gauge Model Railway Collection - Part

- 1039 Stuart Turner S50 live steam single cylinder horizontal stationary engine with earlier style disc crank, Surface rust to the majority of the model, missing one cylinder draicock, one guidebar support missing by the cylinder, engine turns over freely by hand , F-G
£50-80
- 1040 Stuart Turner S50 live steam single cylinder horizontal statinary steam engine, Engine bed covered in oil and would benefit from a good clean, surface rust to the cylinder cover, motion and flywheel, engine turns over freely by hand, F-G
£50-80
- 1041 A freelance constructed vertical marine single cylinder engine on four pillar base, approx 17cm tall, Engine turns over freely by hand, some visible surface rust to the frame and motion, F-G
£30-50
- 1042 Stuart turner 504 horizontal boiler with Spring type safety valve, regulator and gauge glass, with two methylated spirit burners (3) Pressure gauge missing, safety valve unscrews and regulator handle turns freely, surface rust to the firebox, boiler and firebox would benifit from a clean, surface rust to both burners, one has a crank near ther end off the burner tube, F-G, (3)
£80-100
- 1043 A horizontal 19th/20th century live steam stationary engine mounted on 6 turned metal legs with crankshaft driven boiler feedpump, govenor and approx 7 1/2 inch dia flywheel (19cm) , Rust to the frames, base and motion, engine turns over freely by hand, governor is lose from the engine bed and one arm is broken, one cylinder drain cock missing and replaced with screw, would benefit from a good clean,
£300-400
- 1044 A kit / scratch built gauge 1 live steam 0-6-2 tank locomotive, CER (Great Eastern Railway), No 1001, Live steam Gauge 1 tank locomotive, Slip eccentric reversing with inside single cylinder engine, three wick methylated spirits burner with fuel tank in cab, hand water pump inside nearside tank, engine turns over freely by hand, safety valve will not unscrew, paint lose and markings through use, motion and loco body would benifit from a clean,
£350-500
- 1045 A kit / scratch built gauge 1 Hot Air engine with No 001 to the frames, Engine turns over freely by hand, gas fired with fuel tank between frames, shows signs of use with some paint lose, access to gas burner vis smokebox door, gernarly very dusty and would benefit from a clean,
£100-150
- 1046 A Ky-Ko stirling hot air engine powered fan, standing approx 87cm to the top of the blade, with KYKO cast into the displacer cylinder casing, Displacer cylinder casing damaged with piece missing, outer blade casing missing, No burner, frame very rusty, motion turns over freely by hand, crack to the baseand some minor rusted out metal,
£50-100
- 1047 A large twin cylinder 19th-20th century marine steam engine standing approx 59 cm high, No visible makers plate, Engine turns over by hand but would benefit from a service and clean, Cylinder lubricators and draincock handles all move freely, wooden cladding to the cylinder is cracked to the rear, VG
£500-800
- 1048 A part-built 5 inch gauge GWR 4500 Class 2-6-2 tank locomotive (6+), to the Model Engineer 'Firefly' design by Martin Evans, comprising part-finished frames, boiler substantially complete but with no history, cylinders and other cast parts, together with a full set of ME drawings, as components G-VG, some surface rust to the wheels, (qty in 6 boxes + boiler, frames and drawings)
£800-1,000
- 1049 A part-built 5 inch gauge BR Standard class 'Britannia' locomotive to D Hewson design, essentially supplied in kit form, comprising part-finished frames with additional castings and many other fabricated parts, a substantially-complete boiler (appears professionally-built) together with set of working drawings for the loco and various invoices, tender body with unmade frame components and an additional set of loco frames to similar but slightly different design, the boiler appears to have been tested but no paperwork found
£1,500-2,000

Glorious Trains - Featuring the John Ingram 0 Gauge Model Railway Collection - Part

- 1050 A 3 1/2 inch gauge GWR (Great Western Railway) 4-6-0 class locomotive, of apparently freelance GW-style, with water and pressure gauges, screw reverse, with boiler hydraulic test certificate by Priory Boilers, Boiler No PB425/97, issued Feb 1997, F-G, regulator and top-feed part-dismantled, with hand-pump to flat-sided tender, appears to lack any other means of adding water, no name or number applied, lacks firebars and ashpan, does not seem to have been steamed.
£1,200-1,600
- 1051 A professionally-built and painted 3 1/2" gauge T9 class 4-4-0 locomotive and tender (2), painted and lined out by the vendor's father in Southern Railway lined malachite green with 'sunshine' lettering as No. 117, evidently never steamed, no boiler certificate, but fitted with lever reversing, water and pressure gauges, cylinder drains, fixed cab roof with canvas screen, VG-E, some minor retouching to the cab roof, very minor chip of paint to the nearside above the buffer, hand-pump to the tender, motion turns but stiffly, both loco and tender stored in wooden cases, cases G, NO Boiler History (2)
£1,500-2,000
- 1052 A professionally-built and painted 3 1/2 inch gauge Lynton and Barnstaple Railway narrow gauge 2-6-2 tank locomotive, based on No E188 'LEW' built by Manning Wardle for the Southern Railway in 1925, fitted with twin injectors, pressure and water gauges, lever reversing, has evidently been steamed, cab top section removable for running but offside cab window cracked, chimney loose (to fit in box), some minor surface rust to exposed parts, would benefit from a clean but otherwise VG-E, together with a box containing the drawings for the loco, spare works plate, a hand-pump (there is not one fitted to the loco at present), with another unspecified tank and two lengths of copper/brass pipework, supplied in a substantial wooden crate, crate VG, NO Boiler History
£2,500-3,000
- 1053 3 1/2" Inch Gauge LBSC "Maisie" 4-4-2 Locomotive & Tender LNER Green C1 Atlantic No 3280, with two outside cylinders and inside Stephenson's valve gear, motion turns over smoothly with no tight spots, slight "play" to motion, axle pump which sits between both sets of valve gear, injector beneath R/H side of footplate, superheated boiler with no build markings, history or paperwork, tender hand pump, regulator & cab controls minus bypass & water gauge blowdown ceased, mechanical lubricator beneath front running board, tender with working screw brake, paintwork very worn & appears lightly touched, in wooden box G-VG
£1,000-1,200
- 1054 3 1/2" Inch Gauge LBSC "Betty the Mongoliper" 2-6-2 SR Green Locomotive & Tender "237 Coy R.A.S.C." No. 1650, built to the uncommon design by "LBSC", motion turns over smoothly with no tight spots, heavy "play" to front end of motion, 2 cylinder outside Walschaerts valve gear, axle pump on middle driving wheel, injector beneath L/H side of running board, cab controls turns but stiff, superheated boiler, no boiler markings history or paperwork, tender handpump ceased, paintwork poor, includes firing irons & spare "SOUTHERN" transfers, mechanical lubricator beneath front running board, nameplates loose, G
£1,000-1,200
- 1055 A part built 5" Inch Gauge Stirling "Single" 4-4-2 Coal Fired Live Steam Locomotive & Tender, full running chassis with twin external cylinders with twin internal Stephenson's motion (pole reversing) & axle pump eccentric which turns over smoothly in either direction, albeit with some light "stiffness" from little to no play in motion, boiler copper is of amateur standard and lacks history, any stamping & any controls, tender fitted with hand brake (minus handle) & hand pump (ceased), a well advanced start, G
£800-1,000
- 1056 A started 5" Inch Gauge Stirling "Single" 4-4-2 Chassis Castings & Tender Frames (qty), consisting of a started loco chassis with driving wheels loosely pressed on & non quartered with loose eccentric sheaves on axle, started tender frames & top as well as started cab shell, machined tender wheel castings (6), started eccentric straps (5), horn blocks (6), external cylinder castings, "F14" Castings (2), "F16" castings (2), casting "F3", F15 & others
£500-800
- 1057 A 5 inch gauge locomotive & chassis for restoration, with twin external cylinders & twin inside Stephenson's valve gear, riveted copper fire tube boiler featuring blower, water gauge (no blowdown, firehole door & regulator, "Ramsbottom" style safety valve, clack valve for water feed on left hand side of boiler minus any pipework, pressure gauge appears sheared off & missing, boiler loose from chassis, great project for restoration, P-F
£150-250

Glorious Trains - Featuring the John Ingram 0 Gauge Model Railway Collection - Part

- 1058 Roundhouse 32mm / 45mm Gauge Live Steam 0-6-0 "Silver Lady" Locomotive, including "Aggressor" FM Radio Controller, Locomotive fitted with 40MHz radio control, simulated cylinder cocks, chassis suspension, water top up valve, motion turns over smoothly in both directions, unfitted "SILVER LADY" nameplates, battery compartment on Locomotive has unfortunately suffered battery leakage & boiler gauge glass appears scaled on inside, otherwise VG-E
£1,200-1,600
- 1059 Mamod Minor MM2 Stationary Steam Engines (2) , MM2 with overflow plug & methylated spirit burner, perished safety valve rubber O ring & other MM2 earlier type with brass counterweight crank, bent & no burner, both engines turn over but require rubber seals on safety valves replacing, general wear & would benefit from a general clean, G (2)
£60-80
